INFORMATION GÉNÉRALE

Vous trouvez dans cette section quatre collections. Celles-ci créées pour compléter tous décors du plus traditionnel au plus audacieux ont un grand dénominateur commun: qualité et pureté des lignes. Tout d'abord, **Iron Age**, avec son aspect rustique martelé porte la signature de chacun de ses artisans. Vient ensuite **Haute Forge**, intemporel et fort, cette ligne allie habilement à la fois le dépouillement caractéristique des lignes modernes et la marque de la forge traditionnelle. Puis découvrez le charme rustique de **La Porcelaine** toute française, déclinée en de nombreuses combinaisons de finis. Et pour terminer la section Collections, le **Moderne**, ce nouveau classique tout d'inox.

COLLECTIONS

GENERAL INFORMATION

You will find 4 collections in this section. Each one was created to complement a variety of design styles from the truly traditional to the highly audacious. While each is unique, they all reflect two highly desirable design ideals: quality and purity of lines. First is **Iron Age**, entirely hand-forged with a rich rustic finish. Each piece bears the signature punch of its artisan. Second is **Haute Forge**, bold and timeless. This collection seamlessly combines the sleek characteristics of modern lines with visible traces of the traditional forge. Third is **La Porcelaine**, with its rustic yet versatile French charm. It is available in a wide variety of finishes. Fourth is **Modern**, an instant classic entirely composed of stainless steel.

PRICE LIST

Prices, available functions and finishes are listed on the price list located at the end of this section Look for the \$ tab. To find an item on the price list refer yourself to the catalog page.

MEASUREMENTS AND PRICES OF COMPONENTS

The measurements indicated in the catalog pages are metric. For imperial (U.S. Standard) measurements, of components and their unit prices, refer to the end of the price list at the end of **section 6 (Locks and parts)**. Look for the \$ tab.

COLLECTIONS

IRON AGE

Chacun des produits de la collection **Iron Age** a été martelé à la main afin de créer des pièces uniques. Ces items d'aspect bruts seront les alliés naturels d'un décor urbain ou campagnard avec des accents rustiques. De plus, chaque pièce a la marque du forgeron qui l'a martelée confirmant l'unicité de chacune des pièces.

Quatre finis sont offerts dans cette collection : Laiton antique martelé (023), Noir martelé (027), Étain martelé (022) et Rouille martelé(029). Par contre, tous les items ne sont pas offerts dans tous ces finis. Merci de vous référer à la liste de prix pour les disponibilités.

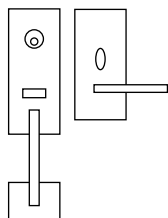

COLLECTIONS

IRON AGE

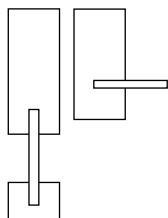

Every product in the **Iron Age** collection has been individually hammered to create a unique piece. The rugged appearance of these items will be the perfect complement to any rural or urban project with a rustic appeal. Moreover, each lever and knob appearing in this collection is signed with the mark of the forger who created it, making this product a one of a kind, hand crafted item.

There are four finishes for this collection: Hammered antique brass (023), Hammered black (027), Hammered pewter (022), and Hammered rust (029). All items from this collection are not offered in all finishes, please refer yourself to the price list for availability.
